HELPING NAVIGATE CHANGE

## Is your team struggling with the transition to remote work?

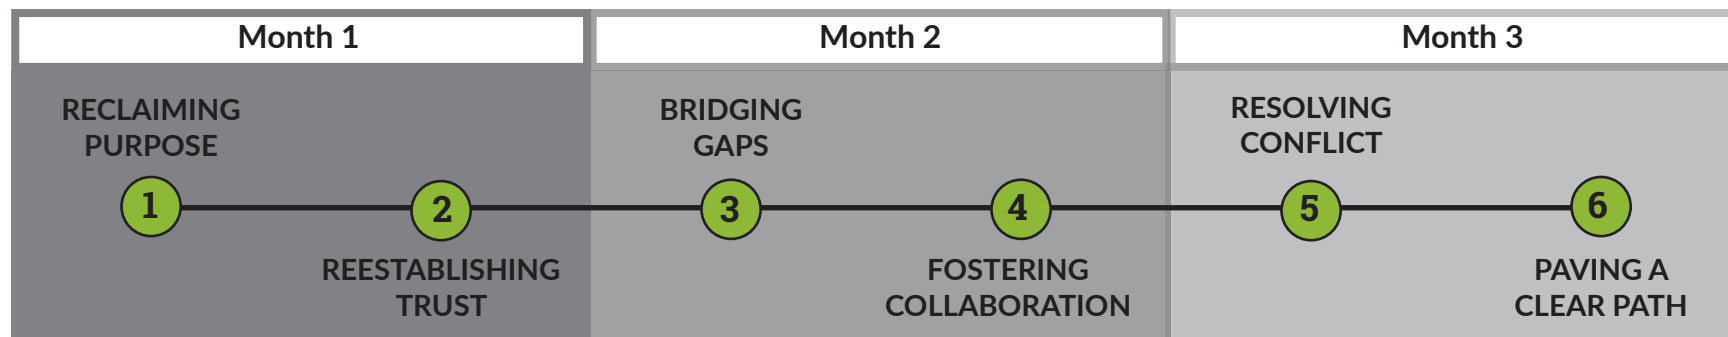

Introducing Team Reboot, a six-part, live, online process designed to address the immediate team and management needs in response to the massive disruption caused by the pandemic. gothamCulture's Team Reboot provides a structured process for reclaiming your collective purpose and paving a clear path forward.

### The Team Reboot process includes:

- Six facilitated team alignment sessions
- Pre- and Post-team assessments
- Concurrent executive sponsor coaching support
